

EXCALIBUR

Touring Perfection

Crusader Excalibur is the caravan for the astute buyer that refuses to compromise on quality and luxury whilst holidaying.

"After looking and researching for 18 months, we stepped inside the Excalibur and just knew we had found our van! We loved the open, spacious feel of the van and the extra storage of the rear boot. Everything was included, nothing we needed was an optional extra... We're so happy to be a part of the Crusader family."
