"After having 3 Euro vans in 8 years, we decided it was time to buy an Australian van. It just happened that the dealer we bought our Euros from started selling Crusader. One look and we were hooked!! We love our Aramis and Crusader has been absolutely amazing! We could not be happier with our decision and our van. It's the best van we have ever had!"

MUSKETEER

Dwayne Mooney Australian owned and built. Great height inside of our Musketeer. The Grey over black exterior colours never dates. The only issue we have with our loved Musky is there are no issues to talk about. Outstanding.

Loretta Woodford We were ready to upgrade and Crusader had everything we could have asked for. With our Musketeer Aramis, we were able to choose the colours we wanted, inside and out. We were able to design and add exactly what we wanted, and we love our Queen size bed. Our salesman also had ideas that we had not thought about. All the extras to make life easy. Thankyou Dennis. We are very happy with the choice we made and love being part of the Crusader family.
