XCOUNTRY

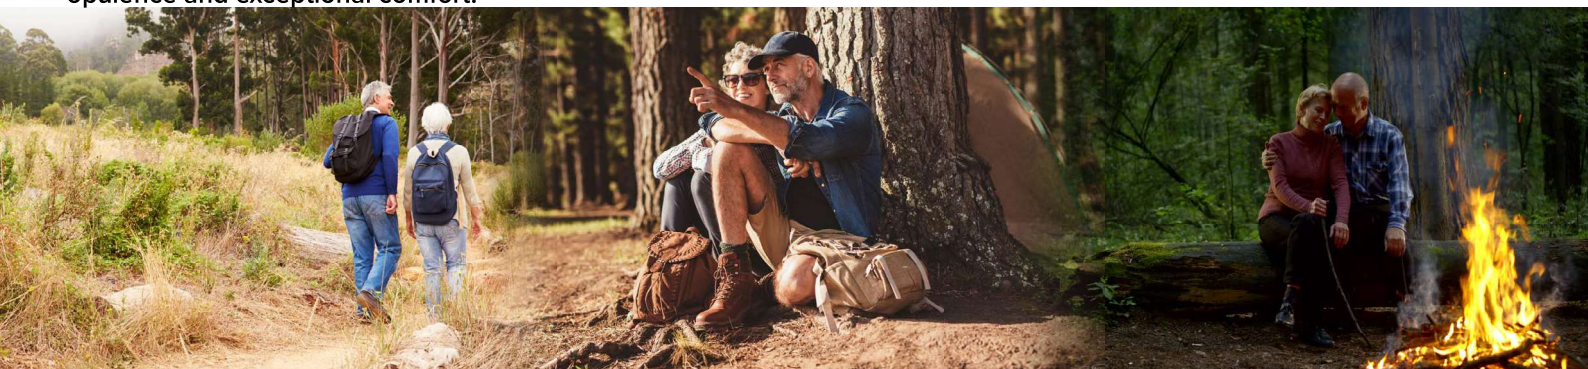

The ultimate luxurious getaway caravan you can take just about anywhere.

Designed and built in Australia with all the off-road smarts and rugged construction you'll need, the XCountry range integrates luxurious interiors with high-performance suspension, batteries and advanced solar capabilities. Enjoy extended off-road adventures in opulence and exceptional comfort.

"Absolutely the finest caravan on the market. When you look at others around the same price range there are so many quality features that stand out on a Crusader Caravan. They are built with love and built to last and once you've had one you won't want anything else."

- Dean Rogers

Trailbreaker

Sleeps	2 people	Body Length	18'9" 5740mm*
Av. Ball	227kg*	Overall Length	25'2" 7680mm*
Max Payload	905kg	Overall Height	Variable
Av. Tare	2395kg*	Overall Width	8' 2440mm*
ATM		ATM	3300kg

Extreme

Sleeps	2 people	Body Length	21'1" 6430mm*
Av. Ball	170kg*	Overall Length	27'5" 8370mm*
Max Payload	660kg	Overall Height	Variable
Av. Tare	2800kg*	Overall Width	8' 2440mm*
ATM		ATM	3500kg

Indicative lengths and weights are for standard configuration, any additional options or variations will increase weights. Weights are approximate only and can vary between individual caravans. The Compliance Plate specifies the accurate weight for each respective caravan. Alterations to designated ATM may be requested at the time of order provided it does not exceed the legal maximum and is subject to the final tare weight. Body length is measured externally from the front wall to the back wall. Travel length is measured externally from the A-Frame coupling to the back wall and excludes the removable rear bumper bar and spare wheel (approx 400mm). Overall width is measured externally and includes all protruding fixtures.

Luxurious interior

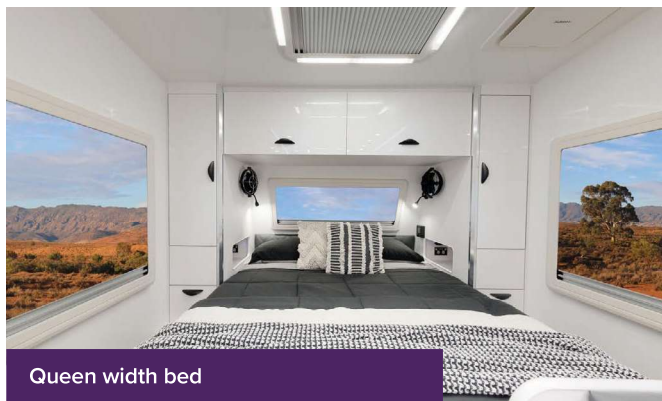

Fully appointed bathroom

Airbag suspension and disc brakes

224L compressor fridge

Queen width bed

Leather seating

Front loader washing machine

Fully functional kitchen

Range

"Travel makes one modest, you see what a tiny place you occupy in the world."

- Gustave Flaubert

Leading the way with Full Composite Construction

Composite is a super tough, durable, and lightweight material used by leading caravan manufacturers, with Crusader Caravans at the forefront of this movement. The innovative material is used to form the roof, floor, and wall panels of the latest range of Crusader Caravans, including the popular CRV range.

The cutting-edge material has been commonly used to build trucks, trains, trams, and planes for years. Crusader Caravans are leaders in the use of composite material and use composite panels across the entire Crusader range.

Crusader Caravans chose composite panels by Creative Composites as they are of the highest-quality. It's not just the material that is exceptional - the unique production methods developed by the skilled team at Crusader Caravans are key to achieving a top-quality caravan.

Often cited by industry experts as the future of caravan construction, it is expected many more caravan manufacturers will transition to full composite construction in the near future. You will hear a lot more about composite material and its benefits for years.

Crusader Caravans full composite builds are better. Here's why...

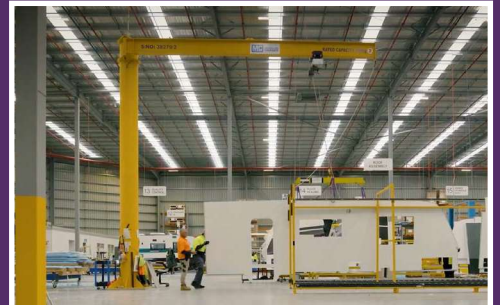

Not all composite builds on offer by caravan manufacturers are equal. Simply put, the quality of Crusader's composite material and manufacturing methods produce a better caravan. Here's the top 3 reasons why:

1 Crusader Caravans have extensive experience working with composite materials.

2 Crusader Caravans use world-leading composite materials.

3 Crusader Caravans have advanced manufacturing techniques.

The Crusader Caravans Difference

MULTI-AWARD WINNING MANUFACTURER OF EXCELLENCE

Crusader Caravans are a multi-award winning Australian manufacturer of exceptional caravans. We have been officially recognised by industry experts as having superior manufacturing methodology resulting in exceptional caravans.

A BRAND YOU CAN TRUST

Crusader Caravans are a long-established manufacturer with a sound reputation and strong resale value. We stand behind our products. You can put your trust in Crusader Caravans knowing that you are investing in the best your money can buy.

BETTER DESIGNED & BETTER BUILT

We insist on the best quality materials and components at every production stage, starting

from the ground up. Our chassis are strong and made in Australia using Australian Steel.

Crusader's quality processes, the use of innovative materials and dedicated qualified workforce ensure the superb quality of every Crusader caravan.

LEADING THE WAY IN FULL COMPOSITE CONSTRUCTION

Crusader Caravans are leading the way with full composite construction. Our roof, floor and walls are full composite one-piece designs without joins, resulting in less chances of water penetration.

Composite material is the future of caravan construction because it's lighter, stronger, and better insulated. Crusader Caravans are proud to be at the forefront of this exciting innovation.

PROUDLY MADE IN AUSTRALIA

We are proudly Australian owned. Every caravan from Crusader Caravans is built for Australian conditions.

When you buy a Crusader Caravan, you know you are buying local and helping safeguard the jobs of many Australians.

CUSTOMER RELATIONS TEAM

When you purchase a Crusader Caravan you become part of the Crusader family, and at Crusader we look after family.

Help is here if needed. Our Customer Relations Team provide you with peace of mind by offering exceptional support and advice at every stage of the customer experience; from purchase to delivery, and beyond as you roam this wonderful country of ours.
